ELSEVIER SCIENTIFIC PUBLISHERS IRELAND

Journal of Reproductive Immunology 25 (1993) 289–291

JOURNAL OF REPRODUCTIVE IMMUNOLOGY

Contents (Volume 25)

No. 1

G.T. Erbach, J.P. Semple, E. Milford, J. Goguen, R. Osathanondh, J.T. Kurnick (Boston, MA)
Phenotypic characteristics of lymphocyte populations isolated from middle gestation human placenta (JRI 0838) 1

R.G. Roussev, N.G. Higgins, J.A. McIntyre (Indianapolis, IN)
Phenotypic characterization of normal human placental mononuclear cells (JRI 0842) 15

J.C. Brooks-Kaiser, D.W. Hoskin (Nova Scotia, Canada)
Inhibition of DNA synthesis and IL-2 bioactivity in MLR by splenic pregnancy-associated natural suppressor cells involves the production of a TGF-β1-like molecule and a second distinct inhibitory factor (JRI 0840) 31

A. Menendez-Pelaez, R.M. Sainz, J.C. Mayo, M.J. Rodriguez-Colunga, J. Vazquez-Rojo, I. Antolin, M.P. Carbajo, D. Tolivia (Oviedo, Spain)
Mast cells in the Harderian gland of female syrian hamsters during the estrous cycle and pregnancy: effects of light/dark cycle (JRI 0841) 51

J.-J. Remy, V. Bozon, L. Couture, B. Goxe, R. Salesse, J. Garnier (Jouy-en-Josas, France)
Suppression of fertility in male mice by immunization against LH receptor (JRI 0845) 63

G.T. Erbach, J.P. Semple, R. Osathanondh, J.T. Kurnick (Boston, MA)
Phenotypic characteristics of lymphoid populations of middle gestation human fetal liver, spleen and thymus (Brief Communication) (JRI 0846) 81

No. 2

M.G. O'Rand, J. Beavers, E.E. Widgren, K.S.K. Tung (Chapel Hill, NC; Virginia, VA)
Inhibition of fertility in female mice by immunization with a B-cell epitope, the synthetic sperm peptide, P10G (JRI 0849) 89

U.S. Deshmukh, R. Pal, G.P. Talwar, S.K. Gupta (New Delhi, India)
Antibody response against epitopes on hCG mapped by monoclonal antibodies in women immunized with an anti-hCG vaccine and its implications for bioneutralization (JRI 0851) 103

H.R. Na, L.L. Seelig, Jr. (Shreveport, LA)
In vitro TNF, IL-6 and IL-2 production by rat milk cells following *Trichinella spiralis* infection (JRI 839) 119
H.-L. Cheng, S.L. Schneider, C.M. Kane, S.O. Gollnick, C. Grande, D. Thompson, E. Pietrzak, T.B. Tomasi (Buffalo, NY)
TGF-β2 gene and protein expression in maternal and fetal tissues at various stages of murine development (JRI 0844) 133
A. Assal-Meliani, G. Charpigny, P. Reinaud, J. Martal, G. Chaouat (Clamart and Jouy en Josas Cedex, France)
Recombinant ovine trophoblastin (roTP) inhibits ovine, murine and human lymphocyte proliferation (JRI 0843) 149
L.V. Rao, R.P. Cleveland, K.M. Ataya (Cleveland, OH)
Alterations in thymic and bone marrow lymphoctye subpopulations in GnRH agonist treated prepubertal female mice (JRI 0848) 167
N. Pasetto, C. Ticconi, A. Zicari, G. Pontieri, E. Piccione (Rome and Cagliari, Italy)
Interleukin-3 stimulates prostaglandin E2 release by human fetal membranes at term gestation (Brief communication) (JRI 0852) 185

Erratum 189
Announcements 191

No. 3

C. Ober, T. Steck, K. van der Ven, C. Billstrand, L. Messer, J. Kwak, K. Beaman, A. Beer (Chicago, IL)
MHC class II compatibility in aborted fetuses and term infants of couples with recurrent spontaneous abortion (JRI 0856) 195
L.W. Chamley, N.S. Pattison, E.J. McKay (Auckland, New Zealand; Liverpool, UK)
Elution of anticardiolipin antibodies and their cofactor β_2-glycoprotein 1 from the placentae of patients with a poor obstetric history (JRI 0859) 209
H.-L. Chen, K.K. Yelavarthi, J.S. Hunt (Kansas City, KS)
Identification of transforming growth factor-β1 mRNA in virgin and pregnant rat uteri by in situ hybridization (JRI 0855) 221
E.H. Yanushpolsky, M. Ozturk, K. Polgar, R.S. Berkowitz, J.A. Hill (Boston, MA)
The effects of cytokines on human chorionic gonadotropin (hCG) production by a trophoblast cell line (JRI 0861) 235
C.-Y.G. Lee, L. Hsiao, Y.-Y. Yang, S. Chow, H.-T. Chao, H.-T. Ng, E. Wong, A. Sun, E. Hsu (Vancouver, Canada; Taiwan, ROC)
Studies of a sperm/placenta cross-reacting antigen, STX-10 (JRI 0850) 249
M.G. Munoz, S.S. Witkin (Caracas, Venzuela; New York, NY)
Activation of circulating γδ T-lymphocytes by autologous sperm from men sensitized to sperm (JRI 0857) 265

H. Bagavant, E.C. Yurewicz, A.G. Sacco, G.P. Talwar, S.K. Gupta (New Delhi, India; Detroit, MI)
Block in porcine gamete interaction by polyclonal antibodies to a pig ZP3β fragment having partial sequence homology to human ZP3 (Brief communication) (JRI 0858) 277
